Greetings from your President

Hello,

I hope this letter finds everyone well and looking forward to the longer, brighter days ahead. I want to give the members an update on the work the board has done since we last communicated.

First, I would like to thank the COVID Committee. They worked tirelessly to prepare for the opening of the club and their work should not go unacknowledged. Since then, a team of volunteers including Bill Hughes, Linda Sinfield, Marianne Ewence, and Liz McCormick worked very hard on our Valentine's Day fundraiser meal. We would like to thank everyone who ordered! The club was able to raise over \$2000 towards new heaters for the ice, as the current heaters are in poor condition. Thanks goes out to Rose MacCulloch who was able to procure a fund from the Federal Government to help us in covering our running costs. Rest assured the work of these groups and more have helped to secure the future of the club through the pandemic and help to ensure future success when we reopen.

Going forward we will continue to reach out to members and foster the sense of community that our club is so well known for. Please keep an eye out for future opportunities to get involved with our club.

The Board and I would also like to take a moment to thank Gilles Lortie for his service at the club over the years. Gilles has decided to step down and we wish him the best.

Thank you,

James Doonan, President LDCC

We try to keep our members and interested individuals from the public aware of our club activities through our Facebook Page. Please visit our page and "like" it to receive notifications of our events and stories. It is a great way to promote our club in the community!

Thank you

Thank you to the many members who chose to donate their 2020-2021 membership fees towards the club for this season. It has not been an easy year and it was a very difficult decision to remain closed but we are committed to the health and safety of all our members.

We could not do this without your continued support.

Special Thanks to our advertisers who continue to support us through this season.
