## WE WOULD LOVE YOUR SUPPORT!

How your support would help us:

Our YOUTH CURLING has members from 6-18 years old. It is a LOW-COST alternative to encourage sport in low-income households. We also support High School athletes.

We Engage local seniors through weekday SENIOR MEN'S AND WOMEN'S LEAGUES. We are a stick curling friendly club for low mobility players.

Our LEARN TO CURL PROGRAM attracts many new participants each year, most of whom become members of the club.

Our club is a NONPROFIT ENTITY run by volunteers.

We rely on local support to remain open and we in turn support our local businesses.
